

Take the high road

Travel a career high road when you join the new team at Toowoomba Regional Council.

An amalgamation of eight former councils, Toowoomba Regional Council is a 'super council', providing super facilities and super opportunities for those looking to extend their careers in this diverse region of South East Queensland. Toowoomba is the commercial hub, rich in history and resources, and a recognised centre for quality education, within a scenically beautiful and rapidly developing region, well serviced by quality road links to Brisbane.

Toowoomba Regional Council invites you to join our experienced, energetic team in one of the following positions.

Director - Planning & Development Services

Contract – 3 to 5 years negotiable

Draw on your tertiary qualifications and experience in planning and development to lead and manage a dynamic team of professionals working on development application assessment, building compliance and land use planning. You will liaise with the Mayor, Councillors and Council Committees, develop objectives, action plans and key performance indicators and ensure the efficient and effective operation of the Planning & Development Services Department.

Contact: Phil Spencer on 07 4688 6603

Director - Strategic Services

Contract – 3 to 5 years negotiable

You will lead and manage the Strategic Services Department which is responsible for long-term, medium and short-term planning and integration between environmental sustainability, economic planning, business development and organisational policy and performance. Managing major strategic change projects, you will lead the development of partnerships with external organisations and external stakeholders to facilitate ongoing development in the region.

Contact: Phil Spencer on 07 4688 6603

Manager - Parks & Recreation Services

Contract – 3 to 5 years negotiable

Toowoomba Regional Council has responsibility for some of SE Queensland's most diverse and scenic landscapes. You will analyse the opportunities and constraints relating to those landscapes and initiate programs and projects that are economically, socially and environmentally sustainable. You will have extensive knowledge of parks and gardens, park facilities, bushland parks and nurseries as you will be responsible for the Parks & Recreation Services Branch operations.

Contact: Brian Pidgeon on 07 4688 6475

Manager - Project Services, Water Services

Contract – 3 to 5 years negotiable

You will manage the Water Services Branch and project manage water and wastewater development, contracts, design and capital works. You will monitor, analyse and develop project and contract management systems to ensure timely planning, design and delivery of new and/or replacement infrastructure. In this key role you will negotiate outcomes with stakeholders. You will also assist with the preparation of recurrent and capital works budgets.

Contact: Kevin Flanagan on 07 4688 6702

Principal Planner - Strategic Services

Permanent/Contract 10% loading

Your past experience in strategy and project development in relation to land use, environment and community planning will serve you well in this role. You will take a lead role in strategic planning, formulating policy strategies for the regional council area and planning for sustainable growth and development by managing, initiating, scoping, undertaking and implementing multidisciplinary projects.

Contact: Stewart McRae on 07 4688 6849

Take this opportunity to give your career a new direction and focus. Share in the growth and potential of the Toowoomba region. Applications close at 5pm on 26 May 2008. Further information is available at 'Job Vacancies' under quick links on our website.
