

Dear <<name>>,

Your membership is important to us – please reactivate your membership today.

National Seniors Australia is a not-for-profit organisation delivering many benefits to members. The membership fee you pay allows us to actively work to provide you with a vast range of benefits.

We deliver great deals on insurance and bring the world closer with our travel agency. There are discounts and rewards for members to enjoy too. Perhaps most importantly though your membership allows us to advocate on your behalf and influence government actions at all levels.

I appreciate that in the current economic climate you might question the value of renewing. Every membership is important to us because it strengthens our organisation. We can make a bigger difference to the lives of senior Australians through our advocacy work and deliver more generous rewards for members.

Reactivate your membership today!

Re-join National Seniors for as little as \$29 (1 year, single membership) or buy a 3 year membership and only pay for 2!

We have played a key role in securing a commitment by the Australian Government to establish a national reciprocal public transport entitlement – this will add up to travel concessions anywhere in Australia, simpler Superannuation reforms, better outcomes for mature age employees on issues such as age discrimination, superannuation and workers compensation and a \$3.9 billion commitment by the Australian Government to increase the utilities allowance and seniors concession allowance, paid to age pensioners and low-income self funded retirees.

Now that you've been reminded of the value and benefits, I ask you again to please re-join your National Seniors. It is very important to us and everyone of the 6.3 million Australians aged over 50.

To re-join simply complete the Application Form on the reverse side of this letter or phone 1300 76 50 50. We look forward to welcoming you back.

Many thanks

Michael O'Neill
Chief Executive
